

# Questions to Ask Your Doctor

## About a Treatment for Cocci

Do I need antifungal therapy?

If yes, when, and with what medicine?

How do I take that medication?

For how long will I have to take that medication?

How do you know if the medication is working?

What are the side effects?

Is this drug covered by insurance? Will you help me with insurance? What is the cost of the medication to me?

What will we do if it does not work?

Will I need any other treatments? (e.g., surgery)?

Do you think I am an appropriate candidate for a clinical trial? Why or why not?

When do I come back for a follow-up visit?

Will I be able to work or go to school?

Can I please have a medical release form from school or work (if appropriate)
